Dear Sir or Madam;

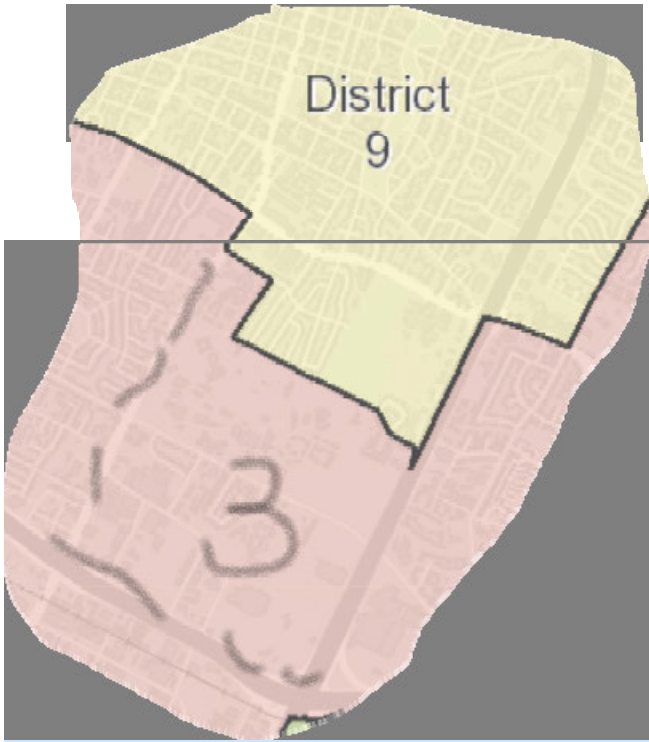

During the previous process, the land area generally south of St Edward's Drive, East of South Congress, North of Ben White Blvd, and West of I35 (District 3) was separated from the land area northward to Ladybird Lake (District 9). This line of division has created substantial problems.

When lines are re-drawn, please include these two areas in the SAME District. Doing that will properly align the District boundaries with previously-established boundaries for the Neighborhood Planning Areas and the long-established Neighborhood Associations.

Please call if any questions.
Snip below may be helpful.

Thanks,
Jon David Swann
